Thanks to everyone who turned out for the 'greening' of the club grounds in Kilcornan to plant 350 alders on Sunday 9 March. Most of them have names attached now but you can still buy and dedicate a tree at www.colgafc.ie

Picture—Young and old turned out in numbers for Colga tree-planting day on 9 March

FAI Summer Soccer School Summer holidays are still a long way off but you need to move quickly if you want free tickets to the Aviva. The first 5,000 applicants for the FAI Summer Soccer School will receive tickets to see Ireland play a home international. This popular kids' summer camp is being hosted by Colga again this year on 7–11 July. Bookings from 2 April at www.fai.ie

GFA U9, U10 tournament Our U9 and U10 boys will be mixing it with the city clubs for the first time in the GFA annual Spring tournament. The group stage will be followed by knockout tiers for a Cup, Shield and Plate. The full fixtures list is not yet available but the finals will be played in Chick Deacy Park in early May.

Young goalkeepers' training Our specialist young goalies training with professional coach Mark Cobey has had a fitful start, interrupted by weeks of bad weather, but stick with us as we hope to complete the programme in the coming weeks, now that Spring is really here at last.
