Christmas is coming and Colga FC is organising parties this year for kids and adults (below). But there is plenty of football to play before the holidays and, for the Cadets (U7–U10), the Marea-Oranmore league is kicking off in a few days. So before you write to Santa polish your boots one more time.

Sunday league Marea-Oranmore FC is hosting a Sunday league again this year for U7 to U10 teams. Colga has entered teams in all age groups and the younger kids (U7, U8) kick off on Sunday next, 8 December. The older kids (U9, U10) should be in action the following week. Everybody plays so talk to your coach if you have not heard about this.
